SECRETARY OF STATE MARK HAMMOND  
DIVISION OF PUBLIC CHARITIES

# 2018-2019 WISE GIVING & PROFESSIONAL SOLICITOR REPORT

*"As South Carolina's Secretary of State, I am responsible for protecting charitable donors and promoting accountability and transparency of charities and professional fundraisers through the enforcement of the Solicitation of Charitable Funds Act. It is my hope that members of the public will use this report to make informed decisions when it comes to charitable giving. South Carolinians continue to be some of the most generous donors in the country; however, each and every one of us needs to remain vigilant when supporting the causes we care about. Remember to check on the organizations that you are thinking of donating to, ask questions of those soliciting the donation, and notify the Secretary of State's Office if you have any concerns or complaints. Remember to give from the heart, but please give smart!"*

*--Secretary of State Mark Hammond*

# ***GIVE FROM THE HEART, BUT PLEASE GIVE SMART!***

## **CHECK**

Use the Charities Search feature on the Secretary of State's website at [sos.sc.gov](http://sos.sc.gov) to check whether a charity is registered to solicit donations in South Carolina. You can look up a charity's financial information, including total revenue, total expenses, fundraising costs, and the percentage spent on charitable programs, as well as review a copy of the charity's most recently filed annual financial report.

## **ASK**

If you are solicited for a donation, always ask:

- What is the name, location, and mission of the charity?
- How much of your donation will be used for program services?
- If you are being solicited by a professional fundraiser, how much of your donation will go to the charity, and how much will be used to pay for fundraising costs?

## **NOTIFY**

If you have concerns about a charity or professional fundraiser, notify the Secretary of State's Office through the Online Charitable Solicitation Complaint Form at [sos.sc.gov](http://sos.sc.gov). You can use this form to file a confidential complaint 24 hours a day, 7 days a week. You can also contact the Division of Public Charities at [charities@sos.sc.gov](mailto:charities@sos.sc.gov) or 1-888-CHARITI (242-7484).

# PROFESSIONAL SOLICITOR REPORT

In order to promote accountability and transparency in charitable fundraising, Secretary of State Mark Hammond is publishing the fourth annual Professional Solicitor Report of the Division of Public Charities. Pursuant to the South Carolina Solicitation of Charitable Funds Act, the Secretary of State's Division of Public Charities regulates charitable solicitations in this state. Some charitable organizations use professional or paid fundraisers to solicit donations on their behalf. Prior to starting a fundraising campaign, professional solicitors are required to file a notice of solicitation and fundraising contract with the Division of Public Charities. At the conclusion of a fundraising campaign, or each year of a multi-year campaign, a professional solicitor is required to file a joint financial report with the Division of Public Charities. The joint financial report must be signed by both the professional solicitor and the charitable organization, and must disclose the gross receipts from the campaign, the itemized expenses incurred by the professional solicitor, and the total amount remitted to the charitable organization. This report provides a comprehensive listing of the data provided in joint financial reports filed by professional solicitors during 2018, and a listing of all active fundraising contracts as of November 1, 2019.

Part I of the Professional Solicitor Report lists in alphabetical order each charitable organization for which a joint financial report was filed in 2018. The report then lists all professional solicitors employed by the charitable organization, along with the fundraising methods used by the professional solicitor; the date the joint financial report was filed; the dates of the fundraising campaign covered by the joint financial report; the gross receipts from the campaign; the amount remitted to the charity; and the percentage of the gross receipts that the charity received.

# PROFESSIONAL SOLICITOR REPORT

Part II of the Professional Solicitor Report lists in alphabetical order each professional solicitor with an active fundraising contract on file with the Division of Public Charities as of November 1, 2019. The report then lists each charity client of the professional solicitor for which a contract was filed, the dates of the solicitation campaign, and either the minimum guaranteed percentage of gross receipts to be remitted to the charity based on the contract, or other terms of remuneration.

Although each charitable organization and professional solicitor referenced in this report was registered with the Division of Public Charities to solicit donations in South Carolina at the time the fundraising campaigns were conducted, many of the joint financial reports and contracts were for national campaigns. Therefore, it is important to note that the reported gross receipts reflect donations from all solicited persons, not just South Carolinians. Furthermore, the data presented in the Professional Solicitor Report does not reflect how much the charitable organizations spent on their program services. This information is available on the Secretary of State's website at [sos.sc.gov](http://sos.sc.gov), under "Charities Search."

If you have any questions regarding a charitable organization or professional fundraiser listed in this report, please contact the Division of Public Charities at [charities@sos.sc.gov](mailto:charities@sos.sc.gov) or (803) 734-1790.
