NONPROFIT RAFFLES

Legal Requirements in South Carolina

Secretary of State Mark Hammond
1205 Pendleton Street, Suite 525
Columbia, SC 29201

In 2015, nonprofit raffles became legal in South Carolina. However, a nonprofit organization must meet certain legal requirements in order to conduct raffles. Here are some frequently asked questions regarding charitable raffles in our state.

Q. Which nonprofit organizations are legally permitted to hold raffles in South Carolina?

A. In order to conduct a raffle, a nonprofit organization must meet ALL three of the of the following criteria:

(1) The nonprofit must be either tax-exempt under IRS Code Section 501(c)3, 501(c)(4), 501(c)(6), 501(c)(7), 501(c)(8), 501(c)(10), 501(c)(19), or 501(d); or a class, department, or organization of an educational institution;

(2) The nonprofit must be operated for a charitable purpose; and

(3) The nonprofit must be registered to solicit charitable donations in South Carolina pursuant to the Solicitation of Charitable Funds Act, or excluded from the Act’s registration requirements.

Q. My nonprofit organization is qualified to conduct raffles. What do I need to file with the Secretary of State’s Office?

A. Unless your nonprofit conducts only “exempt” raffles, it must file an annual raffle registration form with the Secretary of State. The filing fee for the raffle registration form is \$50.00. In addition, your nonprofit must file an annual raffle financial report 4 ½ months after the end of its fiscal year. The annual raffle registration form and annual raffle financial report are separate from the registration statement and annual financial report filings required of charities under the Solicitation of Charitable Funds Act.

Nonprofits may file their raffle registration forms and raffle financial reports online at www.sos.sc.gov.

Q. My church wants to hold a raffle. Does it need to register?

A. Churches and other houses of worship are required to file an annual raffle registration form if they conduct raffles other than “exempt” raffles. Because they are excluded from the filing requirements of the Solicitation of Charitable Funds Act, they do not have to register separately as charitable organizations.

Q. What is an “exempt” raffle?

A. Nonprofits may conduct exempt raffles without having to file an annual raffle registration form, provided they are legally qualified to conduct raffles. The two types of exempt raffles are:

(1) Raffles in which a noncash prize or prizes have been donated to the nonprofit organization, and the total value of the prize or prizes of a single raffle event is not more than **\$950.00**; and

(2) Fifty-fifty raffles in which the total value of the proceeds collected is not more than **\$950.00**, and raffle tickets are sold ONLY to the nonprofit organization’s members or its guests, and not to the general public.

If your raffle does not meet either of these criteria, then you MUST file a raffle registration form and an annual raffle financial report.

Q. Is there a limit to how many raffles a nonprofit organization can have?

A. Nonprofit organizations may conduct only one exempt raffle a week and four nonexempt raffles a year.
